*FOR IMMEDIATE RELEASE*

**ITechLaw Welcomes New Bronze Sponsor**  
***Duane Morris joins Global Sponsorship Program***

WAKEFIELD, Mass., U.S. – October 6, 2008 – The International Technology Law Association (ITechLaw) announced today that Duane Morris LLP (<http://www.duanemorris.com/>) has joined the organization as a Bronze sponsor of the ITechLaw Global Sponsorship Program. Duane Morris LLP is a full-service law firm of more than 650 attorneys. Evolving from a partnership of prominent lawyers in Philadelphia over a century ago, Duane Morris now has offices in many major markets all over the world and continues to expand across the country and overseas. Its Information Technologies & Telecom practice lawyers have experience in transactions and litigation regarding the development, operation and licensing of IT systems, software and hardware, and the management of outsourcing projects.

"We are pleased to welcome Duane Morris to ITechLaw's Global Sponsorship Program. ITechLaw established this Program to enable law firms to collaborate more closely with the Association and its members on a range of activities relating to cutting-edge IT legal topics." said John M. Carson, president of ITechLaw and senior partner of Knobbe Martens Olson & Bear LLP. "Through the Global Sponsorship Program, law firms and other interested organizations can participate directly in an annual lineup of ITechLaw events and gain greater visibility and access to Association members. Our events and members are global in nature, and this Program is the perfect opportunity for a sponsor to gain global exposure in the IT legal market."

"New and challenging legal questions constantly develop as information technology law continues to evolve," said Sandra A. Jeskie, partner at Duane Morris LLP. "Duane Morris looks forward to working with the ITechLaw members and associates who are among the world's leading authorities in many areas of information technology to assist in answering questions regarding e-commerce, computer contracting, intellectual property, outsourcing models, data privacy and security, open source, health and biotech and telecommunications."

Ms. Jeskie has been a member of ITechLaw Board of Directors since 2003 and currently serves as treasurer.

As a Bronze Sponsor, Duane Morris will participate in communications opportunities such as inclusion in the ITechLaw newsletter and networking with other ITechLaw members. Global Sponsorship Program members participate in upcoming ITechLaw conferences, including the European Conference in Barcelona, Spain on November 6 and 7, 2008. For more information, visit <http://www.itechlaw.org/barcelona2008/>. A full list of scheduled conferences can be found at <http://www.itechlaw.org/conferences.htm>.

###

### **About Duane Morris**

Duane Morris LLP, a full-service law firm of more than 650 attorneys, offers innovative solutions across diverse industries in the United States and internationally to address the legal and business challenges of today's evolving global markets.

### **About the International Technology Law Association**

Founded in 1971, ITechLaw is the world's premier organization representing lawyers in the technology sector. The organization's global membership spans six continents and embodies a broad spectrum of expertise.

In addition to serving as a forum for members to discuss a wide range of legal issues, the association regularly organizes conferences that explore cutting-edge issues and trends in both information technology and intellectual property law.
