### **From the West (Worcester, MA):**

From the West via MassPike, US 90: take exit 24A; bear to right lane on exit ramp, go about 1/8 mile on ramp to traffic light at the end of ramp (which is on corner of Atlantic Ave. and Summer St.) You are on Atlantic Ave. South Station, a large railroad station, will be on your right. Continue straight at this traffic light heading North. The Federal Reserve Bank Building is on your right just as you go through the light, taking up an entire block. The next traffic light is at the corner of Atlantic Ave. and Congress St. Continue straight up Atlantic Ave., but move to the right hand lane after Congress St. You will come to another traffic light controlling traffic feeding onto Atlantic Ave. from the left. This traffic light and turn-around is directly in front of the new glass-sided Intercontinental Hotel. Our building, green glass and red brick and 14 stories high, is the next structure on the right, immediately after the hotel; the entrance to the parking garage is directly from Atlantic Ave. and immediately after the hotel, and the ramp goes up to the second floor. Take elevator to 5th floor.

If you reach the Moakley Bridge, which goes off to the right immediately after our building, or if you reach Hook's Lobster Company, you have gone too far. In that case do NOT go down the tunnel ramp towards Route 93 South (which is in the middle of Atlantic Avenue and right in front of you ); continue traveling North, straight on Atlantic Avenue for a couple of blocks, past the Boston Harbor Hotel on your right, and thereafter make first U-turn you can to the left (to a traffic light) and head back toward our building and try again.

### **From the North (Portland, ME):**

Take I-95 S to US-1. US-1 merges with I-93 S. Take Exit 23 (Purchase Street) out of tunnel. You will be at a set of lights. Bear slight right and go straight ahead (Surface Road) to the third set of lights (Congress Street). Take a left at lights and another left which is Atlantic Ave. Our building (red brick, green glass) is immediately after the Intercontinental Hotel. Parking is available in the hotel. Limited parking is available in our building.

### **From Logan Airport:**

Head northwest from Harborside Dr.  
Turn right into the entry ramp to I-90 West (I-93)/Williams Tunnel - go 0.2 mi.  
Merge into I-90 W - go 1.7 mi  
Take exit 24-25 to South Boston (I-93) - go 0.2 mi  
Take the Congress St ramp - go 143 ft  
Turn left at Congress St - go 0.6 mi  
Bear right and head toward Atlantic Ave - go 143 ft  
Turn right at Atlantic Ave - go 0.1 mi  
Arrive at 470 Atlantic Ave
