

WHY DUANE MORRIS?

Uniquely applying the cross-discipline strength of an Am Law 100 law firm, Duane Morris' patent prosecution team can draw from the experience of over 900 firmwide attorneys to provide patent counseling in ways boutiques or other law firms cannot. Duane Morris' cross-discipline industry groups share experience to provide its patent prosecution team with industry-level perspectives to assist our clients in achieving business goals with their patent strategies and portfolios.

Duane Morris is recognized as one of the United States' most active law firms in terms of patent filing and idea protection. In addition to industry perspectives, clients rely on the specific knowledge of Duane Morris' registered patent attorneys and agents to obtain patent landscape and patentability analyses; prepare, file and prosecute U.S. and PCT patent applications in all subject matters and disciplines; file appeals at the PTAB and Federal Circuit; counsel and manage strategic patent portfolios; and render validity/invalidity and infringement/noninfringement opinions. We also coordinate with our international network of law firms to secure and maintain patent protection throughout the world.
