

THE DUANE MORRIS EDUCATION INDUSTRY TEAM combines deep higher education regulatory experience, extensive industry and governmental relationships, and mastery of legislative and agency processes to help colleges and universities reach their policy and political goals. Not only do our attorneys have years of experience working with higher education clients, key members of our team have direct experience as education business owners and senior executives that informs our strategic advice.

RANGE OF GOVERNMENTAL AFFAIRS AND POLICY-RELATED INITIATIVES

- » Tracking, analysis and timely response to legislative and agency regulatory proposals impacting higher education and workforce development issues
- » Engaging policymakers in constructive and positive policy development dialogue through the development of relevant data, white papers, fact sheets, briefing papers, and statutory and regulatory language proposals
- » Advocating through direct contact with policymakers for sound policy solutions to complex problems
- » Conducting effective grassroots legislative engagement
- » Forming and advocating for ad hoc coalitions on specific policy initiatives
- » Building lasting, bipartisan relationships with key policymakers
- » Offering informed insights regarding trends in the education sector impacting growth and innovation strategies
- » Compliance with applicable lobbying disclosures

ABOUT DUANE MORRIS

Duane Morris LLP, a law firm with more than 800 attorneys in offices across the United States and internationally, is asked by a broad array of clients to provide innovative solutions to today's legal and business challenges.

Duane Morris attorneys have significant experience representing clients before key policymakers in Congress and in the executive branch. Our Education team in our Washington, D.C., office has experience assisting organizations with defining and advocating

their policy goals at the federal level and is well-versed in the Lobbying Disclosure Act and other requirements that are part and parcel of federal advocacy. Education team members have led federal and state advocacy efforts on behalf of education companies, schools, and ad hoc coalitions and trade associations.
